## FEBRUARY 2019

### INTERNATIONAL EVENTS

#### February 11th 2019:

International Day of Women and Girls in Science - Science and gender equality are both vital for the achievement of the internationally agreed development goals, including the 2030 Agenda for Sustainable Development. Over the past 15 years, the global community has made a lot of effort in inspiring and engaging women and girls in science. [Learn more.](#)

**February 20th 2019:**

World Day of Social Justice - Social justice is an underlying principle for peaceful and prosperous coexistence within and among nations. We uphold the principles of social justice when we promote gender equality or the rights of indigenous peoples and migrants. We advance social justice when we remove barriers that people face because of gender, age, race, ethnicity, religion, culture or disability. [Learn more.](#)
