September 2019

INTERNATIONAL EVENTS

September 5 International Day of Charity

The International Day of Charity was established with the objective of sensitizing and mobilizing people, NGOs, and stakeholders all around the world to help others through volunteer and philanthropic activities.

September 8 International Literacy Day

International Literacy Day 2019 will focus on 'Literacy and Multilingualism.' Despite progress made, literacy challenges persist, distributed unevenly across countries and populations.

September 21 International Day of Peace

The United Nations Member States adopted the 17 Sustainable Development Goals in 2015 because they understood that it would not be possible to build a peaceful world if steps were not taken to achieve economic and social development for all people everywhere, and ensure that their rights were protected. This year's theme is "Climate Action for Peace." The theme draws attention to the importance of combating climate change as a way to protect and promote peace throughout the world.
