INTERNATIONAL EVENTS

March 8 International Women's Day

The emerging global consensus is that despite some progress, real change has been agonizingly slow for the majority of women and girls in the world.

March 22 World Water Day

The human right to water entitles everyone, without discrimination, to sufficient, safe, acceptable, physically accessible and affordable water for personal and domestic use; which includes water for drinking, personal sanitation, washing of clothes, food preparation, and personal and household hygiene.
